

Details

1. Adds

Adds mean "Ads By Google"

2. Bps

Bps mean "Button Press" (When you open a website from Ads by Google then you will need to click on different Links or Pages in the opened website such as **About Me, About Us, Contact Us, Products Etc**, So when the above LINK change or page get change once it's called ONE BP (Button Press)

3. Imps

Imps mean Impressions, It's actually page views, Suppose we have 10 posts in our website if we check all of them one by one then it's called 10 Imps, Or if we refresh a page 10 times or more as much as we refresh it's also called Impressions. When you refresh or click any post in the website then counter get increase.

-
- During Work with member in Yahoo you will just need to send a message with the subject of "**Free for Clicks**" or "**Clicks**" or "**Anyone Free for Clicks**"
 - When any member response you then you will have to ask his/her **REQUEST (REQ)** or **DEMAND**. If a member Request you **2 adds 3bps 30 Imps mean (2 Ads By Google, 3 Button Press from each Ad opened from Google Ads, 30 Impressions In there own website)**
 - Follow as per his/her requirements & also let him/her know about your **REQUEST or DEMAN as per Schedule**.
-

Del, BP1,

Note

Always remember to keep your **PAGE CTR (CLICK THROUGH RATIO)** low then **10% (VERY IMPORTANT)**

(You must have at least **15 up to 30 IMPS** for single Add or Click for keeping your **PAGE CTR** low then **10%**)

- Follow Schedule
- Repeat work with member after 10 days if Done once.
- Never ever mess with any member.
- If a member disappear suddenly then wait for him/her or note with you and tell him next time, It's some time happens due to electricity or internet problem.
- When you send your own website or Proof link to a member then always remember to remove the top which is **HTTP://WWW**. (**never send any link with WWW**.)
- Open your AdSense Account 3 times in a week mean open once after 2 days to check your earning status, But Do not check or open your account after Clicking or working with member, Check it after almost 10 hours of work.
